Dear all,

Amsterdam, May 2022

On behalf of the board of the Dutch Recovery Nurses Association (BRV) and the International Collaboration of Peri Anaesthesia Nurses (ICPAN), I am pleased to invite you for the 6th International Conference for Peri Anaesthesia Nurses from the 20th till 22nd of September 2023, at the RAI Convention Centre in Amsterdam, The Netherlands.

“The world starts outside your comfort zone”

A theme chosen in the midst of a worldwide pandemic where we are working relentlessly together, facing challenges for problems we have never seen before. It will acknowledge what we feel, experience and have to deal with in our peri-anaesthesia nursing field. Speakers will address and challenge participants to come out of their comfort zone and together create a new way of thinking, find out of the box solutions and ideas to build on.

RAI Convention Centre is a modern convention center with sufficient possibilities for exhibitions, integrated in the conference venue. The airport Schiphol is nearby, with an excellent connection by public transportation. Schiphol has direct flights to most of the European cities and to many destinations in the USA, Middle East and Asia. The historic city of Amsterdam offers an excellent environment for a social program in a relaxing atmosphere.

On behalf of the local organizing committee of the 6th ICPAN 2023 I am happy to offer you opportunities for exhibition and sponsoring at this conference. Our conference has an international leading position in Peri Anesthetic Nursing, which will guaranty national and international contributions. Information about sponsoring the meeting you will find further on in this brochure. Of course we will be happy to discuss any additional wishes you may have.

I look forward to welcome you as a sponsor of ICPAN 2023!

Hanneke van Kooten
Conference Chair ICPAN 2023,
