Conference theme

The theme of the conference will be: "The world starts outside your comfort zone". A theme chosen in the midst of a worldwide pandemic where we are working relentlessly together, facing challenges for problems we have never seen before. It will acknowledge what we feel, experience and have to deal with in our peri-anaesthesia nursing field. Speakers will address and challenge you to come out of your comfort zone and together create a new way of thinking, find out of the box solutions and ideas to build on.

Highlights of the conference

- Keynote lectures
- Hospital tour
- New developments
- Round table session

Items of special interest
