For those CPAN® and/or CAPA® certified nurses attending this conference, the American Board of Perianesthesia Nursing Certification, Inc. (ABPANC) will honor ICPAN education sessions as part of its recertification Continual Learning Program, which encompasses a wide spectrum of activities that ABPANC believes reflect continual learning. Each session contains a corresponding Direct Care (DC) or Indirect Care (IC) classification, indicating the number of educational units earned based on actual classroom instruction time. These international education sessions were not submitted for approval by the American Nurses Credentialing Center.
